

DIRECTIONS TO Z

FROM NINOY INTERNATIONAL AIRPORT:

The most convenient way to get to Z Hostel is to take a taxi from the airport and give the driver the following instructions. We also suggest that you look for the GRAB booth and book a car from them. You may also book an UBER if you wish. We discourage you from booking an airport taxi or a yellow taxi because of their overpriced rates.

For UBER and GRAB:

The pin is Z Hostel. If in case the driver still needs directions, here is how you get to Z Hostel:

1. Ask the driver to take you to Kalayaan Ave. in Makati via EDSA Northbound exiting to Rockwell.
2. Drive through Rockwell out towards Kalayaan.
3. Along Kalayaan, you will see a Mini Stop on your right. That corner is Don Pedro St. Make a right turn. Z Hostel will be on your left just a few meters from the corner.
